Hi, all,

I will be out of the office Monday, 12/10, returning Tuesday 12/11. Thank you in advance for covering in my absence and handling my issues on my very first compressed day - wahoo!

I will handle any open inquiries. All new inquiries to Molly, Cathy or Dale.

Please cc me on all requests. There are no releases that should require any work on Monday.

#### BACKUPS MONDAY

OAR Mobile sources & GHG: Cathy  
Water: Molly  
Hydraulic Fracturing: Molly  
Cross-cutting issues: Arsenic, PAH (coal tar sealant), perchlorate, pharmaceuticals in water: Dale

cc: Alisha Johnson, Julia Valentine  
Attached is the list of reporter who called and received the list (and their contact info for easy access)

Drinking water:  
Travis Loop, John Senn  
CC: David Bloomgren, Alisha Johnson, Julia Valentine

#### OAR

Chris Grundler  
1. Ok to confirm he is new director of OTAQ  
2. Here is approved current bio. Alisha had me stop sending when we learned it was not yet up on web. Program expects it to be up by end of the week of 12/10. Check with Nate if you get a request, then ok with Alisha/Bloomgren.
